

Tentative NTHECC Fall 2020 Agenda

NTHECC hopes you are well and navigating the challenges related to the corona virus. We are certainly hoping for a return to some normalcy and have been actively working on plans for our annual Fall Meeting. Our primary concern will always remain the health and safety of our members and guests. So, we will be closely monitoring developments related to Covid-19 and how such might impact our meeting. We anticipate sending you a survey relative to the Fall Meeting. When you receive it if you would take a moment to fill it out it would be most appreciated and will assist the Board in its efforts to plan for the fall event. Thank you.
